THE SWEET BRIAR ALUMNAE ASSOCIATION

The Sweet Briar Alumnae Association, founded in June, 1910, at the time of the first Commencement, has had as its purpose to continue the interest of the graduates in their college and in each other. Every year the 28th of December is set aside as Sweet Briar Day, and in cities all over the United States alumnae and students gather to discuss the past, present and future of Sweet Briar; and in fourteen centers in foreign countries the same day is dedicated to the same purpose.

Four times a year the *Alumnae News* brings to former students and to those already graduated, events of interest pertaining to the College, and twice each year a more informal presentation of campus life and news is sent out to them, under the title of *Sweet Briar Today*.

Each Founders' Day, in memory of Mr. C. N. Manson, a member of the first Board of Directors, the Alumnae Association presents to the upperclassman who has most distinguished herself in academic as well as outside work, the Manson Memorial Scholarship and this year the award was made to Frances Jane Faulkner.

Q.V. is an honorary society for Sophomores, founded by the class of 1937, for the purpose of perpetuating the spirit and enthusiasm felt in the Freshman year. The members of Q.V. are known only to each other and to the members of the previous year who chose them, until May, when their identity is revealed to the whole college at step-singing. Membership in this organization is reserved for those girls who have contributed the most to Sweet Briar during their first year. This year's members, of the class of 1940, are:

SONG LEADERS

Golden Sunday afternoons of the fall and the spring with the entire student body gathered in the quadrangle . . . Step Singing . . . one of Sweet Briar's oldest and loveliest traditions, started in 1913. The classes join in opening with the College Hymn, and then the Seniors from the Golden Stairs and the Juniors from their Bench sing their class songs, followed by the Sophomores and the Freshmen, and the afternoon closes with the singing of the Sweet Briar Song. All classes have clever and original songs presented at each Step Singing, led this year by the Song Leaders—Janet Macfarlan, Yvonne Leggett, Maria Burroughs, and Mary James. The first Step Singing is noteworthy because of the announcement of the new Tau Phi members; the first May Step Singing is given over to the announcement of the members of Q.V., and the last gathering of the year is particularly traditional, for at that time the Seniors relinquish their Stairs to the Juniors and the Sophomores take over the Junior Bench.

And so as the sun sets behind the Blue Ridge Mountains we can ever hear the beloved strains of

"Sweet Briar, Sweet Briar, flower fair,
The rose that on your crest you wear
Shall never fade, but always bear
Thy beauty, O Sweet Briar!

Sweet Briar, Sweet Briar, thy columns white
Shine on thy hills a beacon light
Of truth, to burn with radiance bright
Forever, O, Sweet Briar!

Sweet Briar, Sweet Briar, we sing to thee,
May thy foundations ever be
Strong as thy hills, thy purity
That of thy rose, Sweet Briar!"

ADVISORY COUNCIL

STUDENT GOVERNMENT ASSOCIATION

Every student of Sweet Briar is a member of the Student Government Association, that was organized as the most integral part of the college life in 1906. Its underlying purpose has been to "foster the individual and community interests of Sweet Briar students" and to regulate and set the high standard of life on the campus. The governing board of the Student Government Association is formed of the Executive Committee, made up of the officers of the Association, the six House Presidents, and the Freshman Class President.

The Advisory Council, working as an intermediary body between the Administration and the students, meets every month and is composed of representatives from the leading organizations, the four class Presidents and two members chosen from each class. The Council is open for suggestions and criticisms brought to it from the college at large.

Members of the Advisory Council include: Adamson, Bemis, M. Brown-Serman, E. Campbell, Clark, Cordes, O. Davis, Durham, Eady, Faulkner, Gill, Happ, Hyde, V. James, Kunkle, Lee, Littleton, Macfarlan, Mackintosh, McKenney, Murray, Neely, Nicholson, Silvers, Sulzberger, Talcott, Taylor, Weimer, J. Wiley, M. White, Worsley.

THE OFFICERS

Y. W. C. A.

The Y. W. C. A. at Sweet Briar is a most vital and important organization, both on and off the campus. Activity outside the immediate college community includes providing educational and recreational facilities for the children of Amherst County; participation in national conferences, and contact with other branches of the Y. W. C. A.

On the Sweet Briar campus, the organization publishes the Student's Handbook—this being part of the orientation work. The numerous and effective committees include the Collection committee, the committee for the waitresses, the colored schools and the Indian Mission committees, all under the able direction of competent leaders.

On several Fridays throughout the year, the Y. W. C. A. holds an after-dinner Coffee Hour as an attempt to establish student-faculty relationship outside the classrooms.

PAINT AND PATCHES

Paint and Patches, Sweet Briar's dramatic club, is formed of students who show a profound interest in dramatic art and who have proved themselves talented and willing to contribute to the entertainment of the college. Each year Paint and Patches produces three plays, under the able direction of Mr. Cameron King. This year the first performance, given soon after the opening of college, was Sardou's "A Scrap of Paper." Following that the Freshmen and a few non-members of the organization presented a group of three one-act plays, namely, "Archibald," the first scene of "St. Joan," and "Retreat." In the Spring the club completed its successful and active schedule for the year with a performance of "The King's Daughter," by John Masefield.

TAU PHI

Tau Phi is an honorary society for a limited number of upper-classmen whose sterling characteristics have been displayed in their college careers. The new members are announced at the first step-singing in the Fall of each year. Monthly meetings have been held since the society was founded in 1921, meetings whose aims are those of culture and intellectual advancement, for one of the purposes of this group is to further the interest in art, music, literature and science at Sweet Briar.

Tau Phi members take charge of the Browsing Room in the Library, on Sundays, thus making it accessible to the students, and they also act as ushers for the Friday night concerts and lectures.

The Social Committee of Sweet Briar is an outstanding and very influential body of the college. Ten Seniors, headed by a chairman, are chosen each year to regulate the social standards and to deal with any social problems that may arise. Every Saturday night at the weekly dances they act as gracious hostesses to the guests of the students, and through them it has been possible to enjoy a fuller and more varied social life on the campus.

Twice a week, sixty choir members drill in scales and in all types of choral music, both sacred and secular, in preparation for the annual concerts held with the University of Virginia, the Washington and Lee and the Duke glee clubs. Each member has been individually selected after thorough try-outs in the fall

by Mr. Alfred Finch, head of Sweet Briar's music department, and leader and director of the choir. Work with the choir provides both entertainment and educational experience in the field of music. Starting the second semester at Sweet Briar come the ever-popular Mid-Winter Dances, under the auspices of the Sophomore class. This year the college owes its thanks to the skillful management of Mary Petty Johnston and Elizabeth Lee, who supervised the plans for the week-end and the decorations for the dances. The week-end of February 11th will not soon be forgotten at Sweet Briar, nor will the "Evening in Paris" setting which was so effectively carried out to the tunes of Earl Mellon and his orchestra.

The Sophomore figure was led by Miss Johnston, and the Senior figure was led by Miss Dolly Nicholson.

The German Club is an organization which includes two groups. The Goethe Zirkel, which is composed of those students who are the most advanced in the language and who have shown an unusual interest in it, meets every three weeks at which time entertaining programs relating to Germany and her people are presented.

The other branch of the club, the Deutsche Verein, includes those persons who are beginning German and who also have displayed an interest in the language and demonstrated their general fitness to become members of the club. The mutual concerns of the two groups bring them together every six weeks, at which time a joint meeting is held. This year the annual Christmas party was held in the A. L'ALLIANCE FRANÇAISE

The French Club, known as L'Alliance Francaise, has been one of Sweet Briar's most popular clubs since its foundation, and in 1924 joined The Federation of L'Alliance Francaise in the United States and Canada.

At the monthly meetings only French is spoken, and topics of cultural interest and current events in France are discussed. Outside speakers are often heard, and this year a presentation of a French movie obtained a great success. A charming Christmas program is arranged every year, and usually a play is given in the Spring term. One of the aims of the club is the establishment of a French Library on the campus.

A new feature this year was the establishment of "L'avant Garde," a Sophomore French society, for the purpose of furthering conversational French.

AINTS AND ASSES

Certain Sweet Briar students, a few years ago, who felt the urge to give Paint and Patches some keen competition, formed what is known as Aints and Asses. The result was a dramatic organization whose members show natural ability in participating in theatrical displays. The society is chiefly concerned with humorously dramatic skill, and the finer methods of executing vividly expressive action. Several nights after a Paint and Patches production, it is customary for Aints and Asses to bring before the student body an extraordinary performance of the same play, which unveils the full technique of the actors: namely, "Little Dead Riding Hood," "Trash," and "The Advance of Joanie Tugboat."

Athletics at Sweet Briar comprise much more than the physical recreation necessary to health and clear thinking. Through the ten major sports competition between individuals, groups, classes and neighboring colleges has stimulated an active interest within the community and surrounding territory. The Athletic Association has also wider contacts than these numerous and worth while campus activities, and under the splendid leadership of its President and the Executive Committee, forms one of the most vital parts of Sweet Briar life.

THE LAKE

The Sweet Briar Lake, one of the loveliest spots on the campus offers two popular sports, namely swimming and boating. Both of these sports are at their height of popularity in the spring and fall of the year. Lake Day in May offers keen competition in inter-class activities such as diving, swimming, canoeing and boating. The Class of 1939 won the honors in the spring of 1937, and Evelyn Gibson was the individual winner of the events of the day. Classes and organizations present floats on Gala Night, the winner last year being the Freshman "Showboat." It is on Gala Night also that the athletic awards of the second semester are made.

HOCKEY

Congratulations are again in order for the Varsity Hockey Squad. Three major games were played this year: the first with Harrisonburg State Teachers' College, the second with William and Mary, and the third with Westhampton, and the close of the season marked the completion of the fourth consecutive undefeated year of the Sweet Briar Varsity. Special honors were awarded to six players who were chosen to play on the All Virginia team at the Southeast Tournament which was held this year at Williamsburg. Three of these were later asked to represent the Southeast Association at the National Tournament in Chicago, and our admiration and awe go to Macky, who received a National "B" rating after showing the spectators a shining example of her splendid playing.

As well as being in the limelight because of the Varsity team, hockey was found by actual count to be the most popular fall sport with all the Briarites. The participants in class games showed promising ability, and with Miss Rogers as coach we should have an equally successful season in '38.

LACROSSE

Although still a comparatively new sport at Sweet Briar, Lacrosse has already taken its place as one of the major Fall activities, and great enthusiasm and spirit were shown this year in the various class and interclass games. The Juniors and Seniors tied for first place, both in the number of games played and in the amount of points scored. As a result of popular demand, optional Lacrosse was introduced for the first time this Spring as an added attraction. It is hoped that in the near future the varsity players will be able to challenge other college teams.

BASEBALL

Baseball at Sweet Briar calls forth fewer girls than some of the other sports but is still packed with fun and friendly rivalry. No class games were held in the spring of 1937, but many informal games were played. The climax of the season came when the Campus Characters played against the baseball varsity and won with a score of 13 to 8. The game was enjoyed by everyone and was closer than the score would indicate.

The varsity basketball team played four games this year, with teams from Virginia Intermont, William and Mary College, Westhampton College and Beaver College. These games are always of interest to Sweet Briar girls who spur the team on to victory, and congratulate them even in defeat for their splendid playing.

In addition to the varsity games, there is keen competition between the classes and in the House games, where a spirit of enthusiasm is felt. Basketball also has the distinction of being the major winter competitive sport, and enjoys great popularity.

RIDING

Fortunately for all those who enjoy riding, Sweet Briar campus and the surrounding countryside are cut by fine and beautiful trails. At the stables one can always find a suitable mount. Crisp autumn days are devoted to drag hunts, hare and hound chases and all day picnics. Moonlight rides are exciting for those who enjoy the cool, bright nights of fall and spring. The highlight of the season is the Thanksgiving fox hunt; intense excitement comes in following the hounds, in taking jumps and sometimes even spills.

Instruction for credit is available to beginners and many experience their first real thrills on the Sweet Briar trails.

The season's program was heightened by the Amherst County Horse Show in the fall and the May Day Horse Show in the spring.

HIKING

Fall hikes again brought good fun, good health and new scenery to many. Sweet Briar's location affords a chance for innumerable walks and supper hikes. The interest and enthusiasm for this sport was more pronounced this year than ever before and we were not disappointed in the choice of places to visit. One long hike took us to Crab Tree Falls. Another found us at Kentucky Ridge, and this proved to be in no way inferior to our high hopes for a grand outing. Other shorter tramps into the woods and over the mountains kept us breathless, but if one was too tired, the campus itself offered many shorter and less bumpy ways . . . to the gate, Sunset Road, or down to the Lake.

We are still hoping for the outing cabin which has long been promised, and the plans are well under way. We are looking forward to their successful completion in the near future.

RIDING

Fortunately for all those who enjoy riding, Sweet Briar campus and the surrounding countryside are cut by fine and beautiful trails. At the stables one can always find a suitable mount. Crisp autumn days are devoted to drag hunts, hare and hound chases and all day picnics. Moonlight rides are exciting for those who enjoy the cool, bright nights of fall and spring. The highlight of the season is the Thanksgiving fox hunt; intense excitement comes in following the hounds, in taking jumps and sometimes even spills.

Instruction for credit is available to beginners and many experience their first real thrills on the Sweet Briar trails.

The season's program was heightened by the Amherst County Horse Show in the fall and the May Day Horse Show in the spring.

HIKING

Fall hikes again brought good fun, good health and new scenery to many. Sweet Briar's location affords a chance for innumerable walks and supper hikes. The interest and enthusiasm for this sport was more pronounced this year than ever before and we were not disappointed in the choice of places to visit. One long hike took us to Crab Tree Falls. Another found us at Kentucky Ridge, and this proved to be in no way inferior to our high hopes for a grand outing. TENNIS

Probably the most popular of the Spring sports, tennis claims many players in the Fall of the year also. Six fine courts add a great deal to the enjoyment of the sport and keen competition is felt both in tournaments and in inter-class games. There is a Community tournament in the Fall, in which both Faculty members and students participate. There is also a Freshman tournament at the beginning of the year, and in the Spring each class competes for honors; last Spring the inter-class games were won by the class of 1939.

ARCHERY

Archery is one of Sweet Briar's most enjoyable sports, popular with both the athletic and not-so-very athletic Briarites. Several tournaments for beginners only are held throughout the year, and for the more advanced students there are different types of competition: College ladder, best individual score, and best class average. In the spring the varsity participates in the National Intercollegiate Telegraphic Match.

DANCING

Although modern dance has been part of Sweet Briar's recreational and aesthetic program for only seven years, its ever increasing popularity is widespread throughout the community. In order to accommodate those girls who show interest and ability in dancing, three groups have been formed. The membership of the Choreography Group is limited to fifteen advanced dancers, who work with the composition and the presentation of dances in recitals, both on and off the campus. The Dance Group and the Tanz Zirkel work primarily in techniques, each providing healthful exercise and aesthetic training as well as many hours of enjoyment. This year a most popular and profitable innovation was the building of the Dance Studio in the gymnasium for the exclusive use of the three groups and for their further advancement. One of the outstanding events of the year was the spring trip to Washington where a program of dances was presented.

"LET'S MEET AT

Guggenheimer's"

A simple phrase but ever so significant to the girls of Sweet Briar. For they know that a meeting at Guggenheimer's foretells many an exciting hour of shopping and "looking."

Whether it's a matter of a paper of pins or a wardrobe of smart clothes, a pair of curtains for a dormitory window or a permanent for a lovely head, a photograph to adorn someone's bureau or a luncheon in the midst of a busy day, Sweet Briar girls know that they can ALWAYS find it at Guggenheimer's.

That's why "Let's meet at Guggenheimer's" is one of the very first slogans every new Briarite learns!

Creating
YEAR BOOKS
of Distinction

*It takes more than "good printing" to create
outstanding Year Books.*

The J. P. Bell Company specializes in Year Books. First, by maintaining a Department of trained and experienced personnel that devotes its entire time to the planning and servicing of Year Books. Secondly by maintaining a plant equipped with the most modern machinery, manned by skilled, efficient workmen.

There is a certain mark of Distinction on all J. P. Bell publications.
